THE COMPLETE RANGE
ASSORTMENT CATALOGUE
2023

ASSORTMENTS RED POLY CASE

- The Assortment Kits feature premium contents, housed in a reusable polypropylene case. Also known as a "Grab Kit".
- Individual replacement packs are available for all kit contents.
- Smaller range of products than the Master Kits but more diverse stock available

STAINLESS STEEL ASSORTMENTS BLUE POLY CASE

- The reusable polypropylene box contains high-quality stainless steel and marine grade steel. Also known as a "Grab Kit".
- Individual replacement packs are available for all kit contents.
- Smaller range of products than the Master Kits but more diverse stock available

MASTER KITS RED STEEL CASE

- The Master Kits are sturdy, reusable metal cases and contain the highest quality of contents.
- Includes an extended range of products that are not available in the smaller kits.
- Individual replacement packs are available for all kit contents.

REPLACEMENT PACKS

- Replacement Packs are provided if you need to refill your kits. They contain the same high-quality products as the original kit's contents and are easily identified by their part numbers, which are cross-referenced on the inside lid of each kit.

REFILLS FOR ASSORTMENTS & MASTER KITS

CHAMPION REPLACEMENT PACKS | VALUE FOR MONEY & EASY TO REPLACE USED STOCK

EASY TO REPLACE USED STOCK

- No need to replace your kit, just replace the stock you have run out of.
- The relevant replacement pack part number is shown on the inner identification label of the assortment.
- Replacement packs are available for the majority of Champion Assortment and Master Kits.
- Packs have clearly identifiable labels for easy replenishment.
